About Me

Final-year Computer Science and Design student at the University of Auckland, expecting to graduate at the end of 2026, seeking to start my career in a professional environment where I can learn and contribute. Gained multiple key skills including time management, multitasking, and attention to detail through various job and volunteer experience. Possesses strong communication skills, honed from working with colleagues and customers of various age ranges and backgrounds. Able to easily adapt to new environments and embraces challenges while collaborating with co-workers to achieve goals.
